

CO-ED VOLLEYBALL PARENT CONTRACT

1. ALL coaches and WP Parks & Recreation Board Members are volunteers. We welcome any team parent volunteers to help coaches get children ready for games and/or provide snacks and drinks for after games. Ask your coach how you can help. We all play a major role in ensuring our children have fun playing sports.
2. There should be no more than 3 practices and/or games a week.
3. Please have your child to practices and games at 15 minutes early so we can start promptly at the scheduled time.
4. Be positive and encourage your child. There is no "I" in team. We are all winners no matter what the score is.
5. If there is a complaint, do not address it at games or practices. Call Jenny Hagner @ 651-6545 or Sherry Gipson @ 483-8189.
6. There will be no children on the stage for any reason. If your child is on the stage he/she will run laps. Please remind your child to stay off the stage. This is a real safety issue.
7. Parents... we are NOT a babysitting service. The only child allowed in the gym is the player that has been signed up for volleyball. (All other children must be accompanied by a parent.) You are expected to have your child picked up by the end of the practice and/or game. You must come inside and pick your child up from the coach. The children will not just be released.
8. The gym is closed to ALL parents, siblings and relatives during the practice times. You may wait in the foyer. You may NOT walk up and down the hallways, as they are cleaning during this time.
9. Remember officials do the best they can. They cannot see everything and this is not Professional Volleyball... the children are here to have fun!
10. No one is allowed on the court at any time during the games.
11. No offensive, insulting or abusive language and/or gestures to coaches, referees or players by parents, family members or your child. If this happens, you will be asked to leave the sport and WILL NOT be able to return. This is your one and ONLY warning, we have had problems at previous sporting events and it's time for it to stop! Remember, this is for the kids! Please pass this information onto family members that may attend games.
12. Please be positive and proud to be a parent of a "Chief".

I have read the above list of rules, I will agree to follow them as well as remind my child to follow these rules, and the rules set forth by the coach.
